COUNTY CLERKS OFFICE TO STAY OPEN LATE ON THURSDAY NIGHTS

*Residents will be able to get married, obtain documents until 7:30 pm through
September*

MARTINEZ - It's summertime. And getting copies of documents is easy.

Contra Costa residents soon won't have to rush to purchase copies of important documents before the normal close of the business day, as the County's Clerk-Recorder Division will stay open late one day a week during the summer months.

From June 2nd through September 29th, the County Clerk-Recorder's office will be open late on Thursday evenings.

The office will be open from 8:00 am to 7:30 pm at 555 Escobar Street in Martinez.

The customer service windows normally close at 4:30 pm.

"We want to provide a courtesy for our residents who work and find it difficult to make it here before 4:30," said Joe Canciamilla, the County's Clerk-Recorder.

The Extended Hours program debuted last August and proved to be very popular during its two month run. Based on its popularity, the Clerk-Recorder staff decided to continue the program for a longer period of time.

By holding longer hours in the summer, customers are able to take advantage of the extra daylight. 248 customers were helped during the 8 weeks of extended hours last August and September, an average of 31 per evening.

Summer is an important time for parents to obtain birth certificates for school, those seeking documents for traveling and a popular season for weddings.

Services provided during the extra hours will include copies of marriage licenses, copies of birth certificates and death certificates, document copies, and professional filings. Document costs are available on the County Clerk-Recorder website at www.ccclerkrec.us.

Wedding ceremonies will also be available by appointment.

For more information or to make an appointment, call 925-335-7900 or visit www.ccclerkrec.us.
